

## Our Classroom

We are developing lots of skills and knowledge through different types of play.

Symbolic Play

Locomotor Play

Recapitulative Play

Creative Play

Exploratory Play

Communication Play

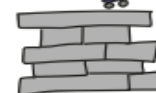

Socio-dramatic Play

Role Play

Fantasy Play

Deep Play

Rough and Tumble Play

Dramatic Play

Object Play

Mastery Play

Social Play

Imaginative Play

## Main outcomes to be covered this term...

### Maths

This term we will be learning about numbers to 10, numbers to 20 and numbers to 1000. We will be learning how to write the numbers and what the numbers mean. We will also be able to count in order and find the number before and after.

### Literacy

We will be looking at our phonic sounds. We have been learning sounds and actions to go along with them. We are developing our fine motor skills to help us write these letters correctly. We are also looking at words that begin with the sound and how to spell it accurately. Within the class tricky words are displayed and we are trying to read and write these. We are discussing ideas for writing and then sharing our ideas in different forms.

### Health and Well being

We will be discussing what makes us a good friend and how to be ready, respectful and safe at school.

This term in PE we will be joined by Mrs Sutherland who will work with us on a Friday. We will also be taking part in the daily mile.

\* Can we please remind all children to take in Homework Packets and diaries daily please.
