

## Our topic is ...

Fairtrade!

## Reminders

- PE is timetabled for every Wednesday and Friday, PE Kit is needed for both sessions.
- Homework will be handed out on Fridays and is to be returned the following Thursday.

Please remember to bring jackets to school as we are now approaching the colder weather.

Welcome to Primary 4/5! Everyone is settling in nicely after the summer holidays and have returned ready to learn! I am looking forward to a great year with P4/5 and please do not hesitate to get in touch should you have any queries or concerns!

Main outcomes to be covered this term...

### Maths

This term we will be looking at number and number processes with a focus on place value in numbers up to and beyond the thousands. Along with this, we will be continuing to work on times tables and the four functions. Primary 4/5 will be looking at money with Mrs Wells on a Thursday.

### Literacy

In literacy, we will have a focus on tools for writing and extending our knowledge and use of correct punctuation. In addition to this we will be continuing to develop our spelling to help us to write independently.

Reading groups will continue to be heard throughout the week to further develop confidence when reading aloud as well as using expression by looking for clues within the text.

Within listening and talking we will be concentrating on when it is appropriate to listen and when it is appropriate to talk, with an emphasis on taking turns. We will also think about asking questions in relation to Topic work and research videos.

### Health and Well being

We will be using Thursday afternoons to explore the woods and build on our ability to work together as a team. In P.E we will be looking at a range of activities and techniques to develop our physical abilities as well as communication in team games or activities.
