

Week beginning 22/6/20

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Whole Lesson	Whole School Lesson	Whole School Lesson	Whole School Lesson	
<p>Expressive Arts - Tube Art</p> <p>Why not do something with old toilet and kitchen roll tubes?</p> <p>Click on the link below for some ideas:</p> <p>https://tinyurl.com/luthtubeart</p> <p>OR</p> <p>Choose an activity from the music grid</p>	<p>Writing - The Trancarpar</p> <p>Click on the link below and complete the writing tasks all about a trancarpar. You can complete it on the sheet, on paper or online.</p> <p>https://tinyurl.com/trancarpar</p>	<p>Health - Mindfulness</p> <p>Mindfulness helps you to become more aware of what is happening around you and more aware of your feelings. It also helps you to react calmly to different events. If you are feeling agitated or unhappy, sad or angry - mindfulness exercises can help you to calm down and relax.</p> <p>Click on the link before form some activities:</p> <p>https://tinyurl.com/luthmind</p>	<p>Maths - Outdoor Maths</p> <p>Take a walk through one of the many lovely woodlands that are easily accessible in our area... Inglismaldie Woods, Denlethen Woods in Laurencekirk, Fettercairn Estate, The Blue Door walk near Edzell.</p> <p>It is a good idea to have a small notebook to record your investigations in, you could make your own using a few sheets of A4 paper folded in half.</p> <p>Click on the link below for some maths investigation ideas:</p> <p>https://tinyurl.com/lutoutdoormaths</p>	<p>FINISHING OFF DAY</p>

	Class Lesson	Class Lesson	Class Lesson	
	<p>Maths - Research some jobs you are interested in and find out how they use maths in their work. Remember to list these. For example, a gardener must measure perimeter and area to know how much material they would need.</p>	<p>Language - Create a poster to advertise your favourite book or film. Choose a scene to draw and add a brief description of the plot, careful not to give away the ending! Have fun by adding a star rating and some reviews!</p>	<p>Health - Can you invent a new game or challenge? Throughout lockdown there have been many new challenges that people have come up with. For example, the toilet roll challenge that many footballers took part in. Have a think about a sporting challenge or game that you can make yourself! Share your idea with the class and see if others want to try it!</p>
