

Week Beginning - 8/6/20

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Whole Lesson	Whole School Lesson	Whole School Lesson	Whole School Lesson	
<p>Arts -</p> <p>Window in your house</p> <p>Choose a window in your house and look outside at what you see. Make a drawing of something you are looking at. It could be just one thing like a car, a tree, a garden shed or a person. Perhaps you would like to try to draw the whole view outside the window.</p> <p>Begin by drawing the window frame on your paper. Remember to make it as big as the size of the paper you have, so that the frame of the window is at the edges of the paper. Once you have done this, look out of the window at what you see. Try to capture the detail in your drawing and use your pencil to show thick and thin lines and also shading by using lighter or heavier tones.</p>	<p>Writing -</p> <p>If you were going to make a film what would it be? Click on the link below for some ideas - <a href="https://tinyurl.com/luthmakea film">https://tinyurl.com/luthmakea film</a></p>	<p>Health -</p> <p>Swagger up your style!</p> <p>Click on the link below to find out more - <a href="https://tinyurl.com/luthswagger">https://tinyurl.com/luthswagger</a></p>	<p>Maths -</p> <p>Symmetry</p> <p><b>Symmetry</b> is when an object looks the exact same on one side as the other. To see if an object is <b>symmetrical</b>, you draw a line of <b>symmetry</b> or a line dividing an object to show a perfect match on each side.</p> <p>I would like you to draw some shapes including lines of symmetry. Can you draw shapes with more than one line?</p> <p>Once you have done this I would like you to draw or paint me some butterflies. Click on the link below for some examples - <a href="https://tinyurl.com/luthbutterfly">https://tinyurl.com/luthbutterfly</a></p>	<p><b>FINISHING OFF DAY</b></p>

	Class Lesson	Class Lesson	Class Lesson	
	<p>Maths - Design and/or create a robot using as many different shapes that you can think of. Your robot can be 3D or drawn on paper with 2D shapes.</p>	<p>Language - Spelling</p> <p>Copy out words 3 times and complete an activity from the spelling tasks grid.</p> <p>Spelling words will be uploaded in a separate document.</p>	<p>Health - Create a poster about yourself and your hopes and dreams.</p> <p>What are some of your favourite things? What do you want to be when you are older? How might you do this?</p>
