School Forward

At Luthermuir we continue to be committed to working closely with our community and all other stakeholders that support the education we provide. Together we are working hard to ensure all our pupils get the best possible start in life and are enabled and encouraged to maximize their potential.

We realise that within education things never stand still or stay the same. We continue to strive to meet the changes and challenges. Through this document we hope that you will get a sense of our developments, successes and areas for further growth.

We are pleased to present both our Standards and Quality Report for Session 2021–2022 and our School Improvement plan for the current session 2022 -2023. This report forms part of our quality improvement framework and provides important information regarding our school's progress to date and identifies our next steps in school improvement.

Self-Evaluation for Self-Improvement is at the heart of our practice in Fettercairn school. We continue to develop our practice in making robust use of evidence as a basis for judgements regarding the impact of our work on our learners.

How are we doing?

We are proud of our school and work hard to ensure that there are high expectations of all that we all strive to achieve. As a school we continually self -reflect throughout the year on key priorities and our progress. Staff are fully engaged in professional development and invested in ensuring that the young people at our school achieve to their full potential. We know that as new research, methods and strategies come to the forefront it is important that our understanding of pedagogy continues to develop and grow to ensure the best for all members of the school community

How do we know?

We use data, surveys, opinions, learning conversations, assessments and observations to gain an overview and reflect on how we are doing. We also moderate, share good practice, engage in professional dialogue and reading and ensure that we engage with the wider learning world to reflect on the themes and indicators within HGIOS4. We continually reflect on our practice.

What are we going to do now?

We regularly measure against national standards to reflect on where we are. We also look back at what we have implemented and revisit to ensure developments are embedded.

Looking inwards to analyse our work

Looking outwards to find out more about what is working well for others locally and nationally

Looking forwards to gauge what continuous improvement might look like in the longer term.

Head Teacher

The School and its context

Luthermuir is set in an attractive rural location about 5 miles south of Laurencekirk and 8 miles West of Montrose. Originally a weaving village it has grown fairly slowly over recent decades and has retained much of its charm. There are no shops, but the village has a strong sense of community with the school and local hall hosting a range of events throughout the year.

The school was built in 1879 and is non-denominational. The catchment area includes two distinct settlements: the village of Luthermuir and Edzell Woods, a community established following the closure of the Edzell air base.

The school's current roll is 41 in total and comprises of two classes. Luthermuir Primary School has equivalent of 2 full time class teachers. The Head Teacher is responsible for both Luthermuir School and Fettercairn School in dual headship role and is supported across the two schools with a Principal Teacher. We also have a teacher two days a week who provides additional support for learners. The school works closely with a range of other support agencies and volunteers in order to provide the best possible experience for all our children. In addition, the staff are supported by 1 pupil support assistants, 1 school administrator, 1 cook, 1 cleaner and a part time janitor. On leaving Luthermuir Primary School the pupils transfer to Mearns Academy, Laurencekirk. Luthermuir School is part of the Laurencekirk Community Schools' Network and works closely with the other 6 schools in the Network. There are strong links between the schools in the network, with joint residential trips, extracurricular activities and after school clubs. The school plays an active role in the community and is used for a range of community activities and clubs for all ages. The school has a supportive Parent Council which supports school improvement priorities and raises additional funds to enhance the experiences for all our learners.

Vision, Values and Aims

At Luthermuir Primary School our vision is for our children, staff, parents and communities to work together to provide a safe, nurturing and welcoming environment where everyone is encouraged to be the best they can be.

Our School Values were reviewed last session with all stakeholders involved and throughout the school and community we wish promote our values through three core words:

READY, RESPECTFUL, SAFE

We aim for everyone to be:

INCLUDED in the life of the school

SUCCESSFUL learners in, and beyond school

HAPPY in a safe and nurturing environment

AMBITIOUS in all that we do

RESPONSIBLE in our learning and through our actions

ENTERPRISING and develop skills for lifelong learning.

Strengths of the school include:

High quality, active learning experiences

At Luthermuir School, children generally behave well and work hard. Almost all children are engaged and enthusiastic in lessons and respond well to the wide range of practical activities and learning experiences on offer. Learners' achievements both in and out of school are recognised and celebrated. Pupils at Luthermuir School play an active role in the school and regularly take on responsibilities and leadership roles through Enterprise activities, Young Play Leaders and Pupil Participation groups.

High levels of performance

Children are making good progress in their learning with most pupils on track to achieve the expected level. Standardised assessment results support this with most children attaining the appropriate level for their age.

The inclusive and nurturing ethos

All staff have a very good knowledge of the children and their families and use this knowledge to plan appropriately for the varying needs and interests. Staff have undertaken training and professional dialogue to develop their understanding of Nurturing approaches, Restorative Practice and Positive Behaviour Management and will continue to work on embedding the principles behind these to promote positive behaviour for learning.

The quality of support provided

Staff know children very well and work closely with parents to ensure that they are aware of any circumstances which might affect children or their learning. Staff track children's learning carefully across all areas of the curriculum, constantly assessing whether children are making progress and provide appropriate support and challenge as required. Support staff are effectively deployed and work closely as part of the core staff team to ensure the needs of all children are being met. PEF funding was used this session to provide additional targeted support for individuals, working closely with SLT, PSW and social work to ensure timely, relevant intervention. The Pupil Support Worker has played a key role this session, working with pupils, parents and staff to ensure all children are accessing the support required.

The engagement of all staff, pupils and partners in improving the school.

Staff, pupils and parents at Luthermuir School demonstrate a commitment to school improvement. Staff are committed to CLPL to enhance their own practice and maximise impact for learners. We have a very active Parent council, who work hard to drive school improvement and staff use the HGIOS4 challenge questions to focus their evaluations and identify next steps for moving forwards. HGIOURS has been used with pupils to gather their views on how we are doing and what we need to do next.
